ARTICLE 13C (VOTER APPROVAL FOR LOCAL TAX LEVIES)

SEC. 2. Local Government Tax Limitation. Notwithstanding any other provision of this Constitution:

(a) All taxes imposed by any local government shall be deemed to be either general taxes or special taxes. Special purpose districts or agencies, including school districts, shall have no power to levy general taxes.

(b) No local government may impose, extend, or increase any general tax unless and until that tax is submitted to the electorate and approved by a majority vote. A general tax shall not be deemed to have been increased if it is imposed at a rate not higher than the maximum rate so approved. The election required by this subdivision shall be consolidated with a regularly scheduled general election for members of the governing body of the local government, except in cases of emergency declared by a unanimous vote of the governing body.

(c) Any general tax imposed, extended, or increased, without voter approval, by any local government on or after January 1, 1995, and prior to the effective date of this article, shall continue to be imposed only if approved by a majority vote of the voters voting in an election on the issue of the imposition, which election shall be held within two years of the effective date of this article and in compliance with subdivision (b).

(d) No local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote. A special tax shall not be deemed

(h) "Property-related service" means a public service having a direct relationship to property ownership.

#### ARTICLE 13D (ASSESSMENT AND PROPERTY-RELATED FEE REFORM)

SEC. 4. Procedures and Requirements for All Assessments. (a) An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and an agency shall separate the general benefits from the special benefits conferred on a parcel. Parcels within a district that are owned or used by any agency, the State of California or the United States shall not be exempt from assessment unless the agency can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit.

(b) All assessments shall be supported by a detailed engineer's report prepared by a registered professional engineer certified by the State of California.

(c) The amount of the proposed assessment for each identified parcel shall be calculated and the record owner of each parcel shall be given written notice by mail of the proposed assessment, the total amount thereof chargeable to the entire district, the amount chargeable to the owner's particular parcel, the duration of the payments, the reason for the assessment and the basis upon which the amount of the proposed assessment was calculated, together with the date, time, and location of a public hearing on the proposed assessment. Each notice shall also include, in a conspicuous place thereon, a summary of the procedures applicable to the completion, return, and tabulation of the ballots required pursuant to subdivision (d), including a disclosure statement that the existence of a majority protest, as defined in subdivision (e), will result in the assessment not being imposed.

(d) Each notice mailed to owners of identified parcels within the district pursuant to subdivision (c) shall contain a ballot which includes the agency's address for receipt of the ballot once completed by any owner receiving the notice whereby the owner may indicate his or her name, reasonable identification of the parcel, and his or her support or opposition to the proposed assessment.

(e) The agency shall conduct a public hearing upon the proposed assessment not less than 45 days after mailing the notice of the proposed assessment to record owners of each identified parcel. At the public hearing, the agency shall consider all protests against the proposed assessment and tabulate the ballots. The agency shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the

ballots shall be weighted according to the proportional financial obligation of the affected property.

(f) In any legal action contesting the validity of any assessment, the burden shall be on the agency to demonstrate that the property or properties in question receive a special benefit over and above the benefits conferred on the public at large and that the amount of any contested assessment is proportional to, and no greater than, the benefits conferred on the property or properties in question.

(g) Because only special benefits are assessable, electors residing within the district who do not own property within the district shall not be deemed under this Constitution to have been deprived of the right to vote for any assessment. If a court determines that the Constitution of the United States or other federal law requires otherwise, the assessment shall not be imposed unless approved by a two-thirds vote of the electorate in the district in addition to being approved by the property owners as required by subdivision (e).

#### CALIFORNIA CONSTITUTION ARTICLE 13D (ASSESSMENT AND PROPERTY-RELATED FEE REFORM)

SEC. 5. Effective Date. Pursuant to subdivision (a) of Section 10 of Article II, the provisions of this article shall become effective the day after the election unless otherwise provided. Beginning July 1, 1997, all existing, new, or increased assessments shall comply with this article. Notwithstanding the foregoing, the following assessments existing on the effective date of this article shall be exempt from the procedures and approval process set forth in Section 4:

(a) Any assessment imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control. Subsequent increases in such assessments shall be subject to the procedures and approval process set forth in Section 4.

(b) Any assessment imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed. Subsequent increases in such assessments shall be subject to the procedures and approval process set forth in Section 4.

(c) Any assessment the proceeds of which are exclusively used to repay bonded indebtedness of which the failure to pay would violate the Contract Impairment Clause of the Constitution of the United States.

(d) Any assessment which previously received majority voter approval from the voters voting in an election on the issue of the assessment. Subsequent increases in those assessments shall be subject to the procedures and approval process set forth in Section

4.

CALIFORNIA CONSTITUTION  
ARTICLE 13D (ASSESSMENT AND PROPERTY-RELATED FEE REFORM)

SEC. 6. Property Related Fees and Charges. (a) Procedures for New or Increased Fees and Charges. An agency shall follow the procedures pursuant to this section in imposing or increasing any fee or charge as defined pursuant to this article, including, but not limited to, the following:

(1) The parcels upon which a fee or charge is proposed for imposition shall be identified. The amount of the fee or charge proposed to be imposed upon each parcel shall be calculated. The agency shall provide written notice by mail of the proposed fee or charge to the record owner of each identified parcel upon which the fee or charge is proposed for imposition, the amount of the fee or charge proposed to be imposed upon each, the basis upon which the amount of the proposed fee or charge was calculated, the reason for the fee or charge, together with the date, time, and location of a public hearing on the proposed fee or charge.

(2) The agency shall conduct a public hearing upon the proposed fee or charge not less than 45 days after mailing the notice of the proposed fee or charge to the record owners of each identified parcel upon which the fee or charge is proposed for imposition. At the public hearing, the agency shall consider all protests against the proposed fee or charge. If written protests against the proposed fee or charge are presented by a majority of owners of the identified parcels, the agency shall not impose the fee or charge.

(b) Requirements for Existing, New or Increased Fees and Charges. A fee or charge shall not be extended, imposed, or increased by any agency unless it meets all of the following requirements:

(1) Revenues derived from the fee or charge shall not exceed the funds required to provide the property related service.

(2) Revenues derived from the fee or charge shall not be used for any purpose other than that for which the fee or charge was imposed.

(3) The amount of a fee or charge imposed upon any parcel or person as an incident of property ownership shall not exceed the proportional cost of the service attributable to the parcel.

(4) No fee or charge may be imposed for a service unless that service is actually used by, or immediately available to, the owner of the property in question. Fees or charges based on potential or future use of a service are not permitted. Standby charges, whether characterized as charges or assessments, shall be classified as assessments and shall not be imposed without compliance with Section 4.

(5) No fee or charge may be imposed for general governmental services including, but not limited to, police, fire, ambulance or

library services, where the service is available to the public at large in substantially the same manner as it is to property owners. Reliance by an agency on any parcel map, including, but not limited to, an assessor's parcel map, may be considered a significant factor in determining whether a fee or charge is imposed as an incident of property ownership for purposes of this article. In any legal action contesting the validity of a fee or charge, the burden shall be on the agency to demonstrate compliance with this article.

(c) Voter Approval for New or Increased Fees and Charges. Except for fees or charges for sewer, water, and refuse collection services, no property related fee or charge shall be imposed or increased unless and until that fee or charge is submitted and approved by a majority vote of the property owners of the property subject to the fee or charge or, at the option of the agency, by a two-thirds vote of the electorate residing in the affected area. The election shall be conducted not less than 45 days after the public hearing. An agency may adopt procedures similar to those for increases in assessments in the conduct of elections under this subdivision.

(d) Beginning July 1, 1997, all fees or charges shall comply with this section.

CALIFORNIA CODES  
GOVERNMENT CODE  
SECTION 53750-53755

53750. For purposes of Article XIII C and Article XIII D of the California Constitution and this article:

(a) "Agency" means any local government as defined in subdivision (b) of Section 1 of Article XIII C of the California Constitution.

(b) "Assessment" means any levy or charge by an agency upon real property that is based upon the special benefit conferred upon the real property by a public improvement or service, that is imposed to pay the capital cost of the public improvement, the maintenance and operation expenses of the public improvement, or the cost of the service being provided. "Assessment" includes, but is not limited to, "special assessment," "benefit assessment," "maintenance assessment," and "special assessment tax."

(c) "District" means an area that is determined by an agency to contain all of the parcels that will receive a special benefit from a proposed public improvement or service.

(f) "Flood control" means any system of public improvements that is intended to protect property from overflow by water.

(g) "Identified parcel" means a parcel of real property that an agency has identified as having a special benefit conferred upon it and upon which a proposed assessment is to be imposed, or a parcel of real property upon which a proposed property-related fee or charge is proposed to be imposed.

(h) (1) "Increased," when applied to a tax, assessment, or property-related fee or charge, means a decision by an agency that does either of the following:

(A) Increases any applicable rate used to calculate the tax, assessment, fee or charge.

(B) Revises the methodology by which the tax, assessment, fee or charge is calculated, if that revision results in an increased amount being levied on any person or parcel.

(2) A tax, fee, or charge is not deemed to be "increased" by an agency action that does either or both of the following:

(A) Adjusts the amount of a tax or fee or charge in accordance with a schedule of adjustments, including a clearly defined formula for inflation adjustment that was adopted by the agency prior to November 6, 1996.

(B) Implements or collects a previously approved tax, or fee or charge, so long as the rate is not increased beyond the level previously approved by the agency, and the methodology previously approved by the agency is not revised so as to result in an increase in the amount being levied on any person or parcel.

(3) A tax, assessment, fee or charge is not deemed to be "increased" in the case in which the actual payments from a person or property are higher than would have resulted when the agency approved the tax, assessment, or fee or charge, if those higher payments are attributable to events other than an increased rate or revised methodology, such as a change in the density, intensity, or nature of the use of land.

(i) "Notice by mail" means any notice required by Article XIII C or XIII D of the California Constitution that is accomplished through a mailing, postage prepaid, deposited in the United States Postal Service and is deemed given when so deposited. Notice by mail may be included in any other mailing to the record owner that otherwise complies with Article XIII C or XIII D of the California Constitution and this article, including, but not limited to, the mailing of a bill for the collection of an assessment or a property-related fee or charge.

(j) "Record owner" means the owner of a parcel whose name and address appears on the last equalized secured property tax assessment roll, or in the case of any public entity, the State of California, or the United States, means the representative of that public entity at the address of that entity known to the agency.

(l) "Vector control" means any system of public improvements or

services that is intended to provide for the surveillance, prevention, abatement, and control of vectors as defined in subdivision (k) of Section 2002 of the Health and Safety Code and a pest as defined in Section 5006 of the Food and Agricultural Code.

(m) "Water" means any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water.

53752. The Department of General Services shall develop compliance standards in the State Administrative Manual (SAM) to inform owners of state property of their duties and responsibilities pursuant to this article and Articles XIII C and XIII D of the California Constitution.

53753. (a) The notice, protest, and hearing requirements imposed by this section supersede any statutory provisions applicable to the levy of a new or increased assessment that is in existence on the effective date of this section, whether or not that provision is in conflict with this article. Any agency that complies with the notice, protest, and hearing requirements of this section shall not be required to comply with any other statutory notice, protest, and hearing requirements that would otherwise be applicable to the levy of a new or increased assessment, with the exception of Division 4.5 (commencing with Section 3100) of the Streets and Highways Code. If the requirements of that division apply to the levy of a new or increased assessment, the levying agency shall comply with the notice, protest, and hearing requirements imposed by this section as well as with the requirements of that division.

(b) Prior to levying a new or increased assessment, or an existing assessment that is subject to the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution, an agency shall give notice by mail to the record owner of each identified parcel. Each notice shall include the total amount of the proposed assessment chargeable to the entire district, the amount chargeable to the record owner's parcel, the duration of the payments, the reason for the assessment and the basis upon which the amount of the proposed assessment was calculated, and the date, time, and location of a public hearing on the proposed assessment. Each notice shall also include, in a conspicuous place thereon, a summary of the procedures for the completion, return, and tabulation of the assessment ballots required pursuant to subdivision (c), including a statement that the assessment shall not be imposed if the ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment, with ballots weighted according to the proportional financial obligation of the affected property. An agency shall give notice by mail at least 45 days prior to the date of the public hearing upon the proposed assessment.

(c) Each notice given pursuant to subdivision (b) shall contain an assessment ballot that includes the agency's address for receipt of the form and a place where the person returning the assessment ballot may indicate his or her name, a reasonable identification of the parcel, and his or her support or opposition to the proposed assessment. Each assessment ballot shall be in a form that conceals its contents once it is sealed by the person submitting the assessment ballot. Each assessment ballot shall be signed and either mailed or otherwise delivered to the address indicated on the assessment ballot. Regardless of the method of delivery, all assessment ballots shall be received at the address indicated, or the site of the public testimony, in order to be included in the tabulation of a majority protest pursuant to subdivision (e). Assessment ballots shall remain sealed until the tabulation of ballots pursuant to subdivision (e) commences, provided that an assessment ballot may be submitted, or changed, or withdrawn by the person who submitted the ballot prior to the conclusion of the public testimony on the proposed assessment at the hearing required pursuant to subdivision (d). An agency may provide an envelope for the return of the assessment ballot, provided that if the return envelope is opened by the agency prior to the tabulation of ballots pursuant to subdivision (e), the enclosed assessment ballot shall remain sealed as provided in this section.

(d) At the time, date, and place stated in the notice mailed pursuant to subdivision (b), the agency shall conduct a public hearing upon the proposed assessment. At the public hearing, the agency shall consider all objections or protests, if any, to the proposed assessment. At the public hearing, any person shall be permitted to present written or oral testimony. The public hearing may be continued from time to time.

(e) (1) At the conclusion of the public hearing conducted pursuant to subdivision (d), an impartial person designated by the agency who does not have a vested interest in the outcome of the proposed assessment shall tabulate the assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment. In a city, the impartial person may include, but is not limited to, the clerk of the agency. The impartial person may use technological methods of tabulating the assessment ballots, including, but not limited to, punchcard or optically readable (bar-coded) assessment ballots. During and after the tabulation, the assessment ballots shall be treated as disclosable public records, as defined in Section 6252, and equally available for inspection by the proponents and the opponents of the proposed assessment.

In the event that more than one of the record owners of an identified parcel submits an assessment ballot, the amount of the proposed assessment to be imposed upon the identified parcel shall be allocated to each ballot submitted in proportion to the respective record ownership interests or, if the ownership interests are not shown on the record, as established to the satisfaction of the agency by documentation provided by those record owners.

(2) A majority protest exists if the assessment ballots submitted, and not withdrawn, in opposition to the proposed assessment exceed the assessment ballots submitted, and not withdrawn, in its favor, weighting those assessment ballots by the amount of the proposed assessment to be imposed upon the identified parcel for which each assessment ballot was submitted.

(3) If there is a majority protest against the imposition of a new assessment, or the extension of an existing assessment, or an increase in an existing assessment, the agency shall not impose, extend, or increase the assessment.

(4) The majority protest proceedings described in this subdivision shall not constitute an election or voting for purposes of Article II of the California Constitution or of the California Elections Code.

53753.5. (a) If an agency has complied with the notice, protest, and hearing requirements of Section 53753, or if an agency is not required to comply with those requirements because the assessment is exempt from the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution, then those requirements shall not apply in subsequent fiscal years unless the assessment methodology is changed to increase the assessment, or the amount of that assessment is proposed to exceed an assessment formula or range of assessments adopted by an agency in accordance with Article XIII D of the California Constitution or Section 53753.

(b) Notwithstanding subdivision (a), the following assessments existing on the effective date of Article XIII D of the California Constitution shall be exempt from the procedures and approval process set forth in Section 4 of that article:

(1) Any assessment imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.

(2) Any assessment imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed.

(3) Any assessment the proceeds of which are exclusively used to repay bonded indebtedness of which the failure to pay would violate the Contract Impairment Clause of the Constitution of the United States.

(4) Any assessment that previously received majority voter approval from the voters voting in an election on the issue of the assessment.

Any subsequent increases in an assessment listed in paragraph (1), (2), or (4) shall be subject to the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution.

(c) For purposes of this section, the following words and phrases shall have the following meanings:

(1) "Assessments existing on the effective date of Article XIII D

of the California Constitution" means assessments levied by the legislative body of the agency on or before November 6, 1996.

(2) "Procedures and approval process set forth in Section 4 of Article XIID" means all of the requirements set forth in Section 4 of Article XIID of the California Constitution, including, but not limited to, the requirement to separate general and special benefits and the requirement to assess parcels that are owned or used by an agency, the State of California, or the United States of America.

53754. (a) The legislative body collecting assessment installments to secure bonds issued pursuant to the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code) shall designate an office, department, or bureau of the local agency that shall be responsible for annually preparing the current tax roll of assessment installment obligations by assessor's parcel number on property within the assessment district. The designated office, department, or bureau shall be the same office, department, or bureau that prepares the "NOTICE OF SPECIAL TAX" required by Section 53340.2. If notice is required under both this section and Section 53340.2, the notices shall, to the extent feasible, be combined into a single notice document. The designated office, department, or bureau shall establish procedures to promptly respond to inquiries concerning installments on the current tax roll.

Neither the designated office, department, or bureau, nor the legislative body, shall be liable if any estimate of assessment installments on the current tax roll is inaccurate, nor for any failure of any seller to request a Notice of Special Assessment or to provide the notice to a buyer.

(b) For purposes of enabling sellers of real property subject to the levy of assessments to satisfy the notice requirements of subdivision (b) of Section 1102.6 of the Civil Code, the designated office, department, or bureau shall furnish a Notice of Assessment to any individual requesting the notice or any owner of property subject to an assessment levied by the local agency within five working days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars (\$10).

(c) The notice shall contain the heading "NOTICE OF SPECIAL ASSESSMENT" in type no smaller than 8-point type, and shall be in substantially the following form. The form may be modified as needed to clearly and accurately present the required information or to consolidate information about two or more assessment districts that collect installments of assessments with respect to the lot, parcel, or unit. The notice shall be completed by the designated office, department, or bureau except for the signatures and date of signing:

53755. (a) (1) The notice required by paragraph (1) of subdivision (a) of Section 6 of Article XIID of the California Constitution of a proposed increase of an existing fee or charge for a property-related service being provided to a parcel may be given by including it in the agency's regular billing statement for the fee or charge or by any other mailing by the agency to the address to which the agency customarily mails the billing statement for the fee or charge.

(2) The notice required by paragraph (1) of subdivision (a) of Section 6 of Article XIID of the California Constitution of a proposed new fee or charge may be given in the manner authorized for notice of an increase of a fee or charge if the agency is currently providing an existing property-related service to the address.

(3) If the agency desires to preserve any authority it may have to record or enforce a lien on the parcel to which service is provided, the agency shall also mail notice to the recordowner's address shown on the last equalized assessment roll if that address is different than the billing or service address.

(b) One written protest per parcel, filed by an owner or tenant of the parcel, shall be counted in calculating a majority protest to a proposed new or increased fee or charge subject to the requirements of Section 6 of Article XIID of the California Constitution.

(c) Any agency that bills, collects, and remits a fee or charge on behalf of another agency may provide the notice required by Section 6 of Article XIID of the California Constitution on behalf of the other agency.
